NEW Scented **MARVELITTER*** **BETTER 6 WAYS**

"STAYS DRY AND CLEAN LONGER"

Smallest birds keep it fluffed up easily. Safe to use under brooders because it's FIRE RESISTANT.

- 1 **ABSORBS MORE MOISTURE** and disperses it rapidly. Floor stays dry, clean and warm.
- 2 **FORMS SMOOTH BED** because it is light and clean. Covers evenly with no bare spots.
- 3 **PACK-RESISTANT** - stays loose longer. Droppings dry, and fall through rapidly.
- 4 **KEEPS BIRDS DRY, HEALTHY** because it evaporates moisture quickly to prevent growth of mold and disease germs.
- 5 **PROTECTS BIRD'S FEET** because there are no coarse, hard or sharp materials in it.
- 6 **COSTS LESS** because it stays dry and fluffy longer, and less has to be added to keep a fresh covering on the floor.

Available in 62½-lb. bags PINE SCENTED or unscented, and in bulk, unscented. Delivered in bulk by special truck to your second floor for easy gravity handling.

THE FUTURITY ADVISORY COMMITTEE

The North Dakota Futurity has long been governed by a committee composed of representatives of the state beef cattle breed associations. The committee has been expanded to include representatives of the Swine Breeders Association, Sheep Breeders Association and the Quarter Horse Association. The responsibility of this committee has been enlarged to include co-ordination of all livestock activities for the week. These men attend meetings regularly, giving freely of their time and energy to insure the continued growth of this, the state's leading livestock show.

JUNIOR FUTURITY

1962 Futurity

The North Dakota Bull and Heifer Futurity continues to be a powerful stimulus to breed improvement. The active participation of large and small breeders of each of the three breeds from all parts of the state indicates the acceptance of this show as the show window of the North Dakota cattle industry.

The record, listed below, indicates the balance of the three breeds that has been maintained during recent years. This year's entries are consigned by 76 breeders.

	SHORTHORN	HEREFORD	ANGUS	TOTALS
1947	79	100	79	258
1948	80	115	71	267
1949	89	104	79	272
1950	91	123	97	311
1951	57	133	77	267
1952	70	139	104	313
1953	64	108	109	281
1954	49	128	117	294
1955	62	147	80	289
1956	72	123	95	290
1957	59	116	92	267
1958	47	99	79	225
1959	65	93	108	266
1960	68	114	121	303
1961	77	126	150	353
1962	65	130	120	315

Again, as in past years, due to the size of the show, the Futurity judging will start on Tuesday afternoon. The cattle in this show are always good, the competition keen, the sportsmanship fine, and the show great.

Three Pair Classes in Each Breed

Entries can be made at time of show. All animals must have been shown previously in regular Futurity Classes:

1. Pair of Bulls Class. Both animals property of exhibitor. Final entries on show day. Trophy to each breed winner.
2. Pair of Heifers Class. Both animals property of exhibitor. Final entries on show day. Trophy to each breed winner.
3. Get of Sire - Three animals by the same sire. Excepting Junior Futurity entries, all animals must be bred & owned by exhibitor. Clerk is to be furnished with name and registry number of animals shown and of sire of the get.

1962 Futurity Judges

A.O. Henuset, the Hereford judge is one of two judges from Canada to add an international flavor to this year's show. Dolph is well known as a judge and as owner of Almedean Herefords.

Duane Clark, the Angus judge from Worthing, South Dakota is well known and admired by North Dakota Angus Breeders. His long service as a director of the American Angus Association attests to his loyal support of the Angus breed in this region.

Reford Gardhouse, the Shorthorn judge is one of Canada's leading Shorthorn breeders and judges. We welcome the two men from Canada and hope they enjoy their visit.

Dr. Paul Kohler, coach of Livestock Judging Teams at South Dakota State University will judge the Junior Futurity Entries and serve on the Championship Committee.

Dr. Hilton Briggs, President of South Dakota State University will serve as the fifth man on the Championship Committee.

Committee to Pick Grand Champions

The interbreed Futurity Champions will again be picked by a committee of five. Serving on this committee will be A.O. Henuset, Hereford Judge; Duane Clark, Angus Judge; Reford Gardhouse, Shorthorn Judge; Dr. Paul Kohler, Junior Futurity Judge; and Dr. Hilton Briggs, President of South Dakota State University.

The Grand Champion Awards will be made at approximately 4:00 P.M., Wednesday, March 7th.

Each member of the committee arrives at independent decision on each Championship. Committee members do not confer nor discuss with one another the merits of the different animals. They indicate their individual choices by secret ballot. Majority vote on each championship determines the winner.

The soundness of this system of picking the interbreed Champions has been demonstrated at previous Futurities. It works not only because competent men are secured to act upon the committee but because of good sportsmanship manifested on the part of the Futurity breeders in cheerfully accepting the decisions. The interbred championship showing has done much to foster loyalty and competitive spirit without arousing ill feeling or prejudice. Adherents of each breed are inspired to produce better and better cattle.

Special Awards

The American Shorthorn Breeders' Association will increase the amount of each local Futurity premium in the Shorthorn classes by 50%. The American Aberdeen-Angus Breeders' Association limits its contribution to \$850.00 and the addition to individual local premiums in Angus classes will be somewhere between 40% and 45%. The American Hereford Association, Hereford Drive, Kansas City, Mo. pays 20% of the total premiums of \$5.00 or more offered for registered Hereford breeding cattle. The Association's share will be mailed directly from their Kansas City Office. Therefore, the Hereford premiums listed on page six will be increased by 25%.

The Angus and Shorthorn Associations are making available special \$25 premiums to winners of Futurity Grand Champion Bull and Futurity Grand Champion Heifer if won by representatives of their respective breeds. In addition, the Shorthorn and Angus National Associations are making special \$15 premiums available for Futurity Reserve Champion Bull and Futurity Reserve Champion Heifer when or if won by representatives of their breeds.

The North Dakota Winter Show will award a belt buckle to herdsman from each breed, judged to be the best housekeeper. Appearance of cattle, stall and alleys will be considered. Owner herds-men are eligible as well as professional herds-men. Each exhibitor is to indicate who is to be considered herdsman in charge.

The Angus premier exhibit award will be given by the North Dakota Angus Association to the breeder who presents his cattle in the best possible manner.

The McGregor Memorial Trophy will be awarded to the exhibitor of the Champion Futurity Angus Bull.

The Marjoribanks Traveling Trophy will be presented to the exhibitor of the Champion Futurity Angus Heifer.

1962 Rules and Regulations

The Junior Futurity

The Greatest Junior Futurity Show in the World is perhaps the proper phrasing for this outstanding group. The quality of the youngsters, the quality of their calves and the zest and pride they show in their work is a tribute to the foresight of the Winter Show Board, to the breeders of the calves and to the parents that provide the opportunity for these youngsters to lay the foundation for a purebred herd of their own.

Purposes of the Junior Futurity

1. To encourage farm boys and girls so inclined to establish the foundation for a future purebred herd.
2. To give such boys and girls competent assistance in securing high quality heifer calves.
3. To provide an incentive to do a good job with the calves, to secure the advantages of friendly competition, and to furnish inspiration to members and show spectators by providing for a state-wide showing of the calves.
4. To interest county extension agents, agricultural instructors, livestock breeders and others in helping members with care, feeding and livestock breeding problems.
5. To promote better-paying cattle production in North Dakota.

Rules and Regulations

1. Membership in the Junior Futurity is open to 4-H Club members and FFA members enrolled in beef breeding projects in North Dakota. Once a member, always a member, until age requirements of the 4-H and FFA bar further participation.
 - a. Members who have won two purple group awards in the state show are no longer eligible to exhibit anything in the Junior Futurity classes except progeny from previous Junior Futurity heifers.
2. To be eligible for exhibition in the Junior Futurity state show the calf must:
 - a. Be a purebred Aberdeen-Angus, Hereford or Shorthorn heifer, born on or after May 1, 1960 and before May 1, 1961 be eligible for registration and bred by the member, or by a North Dakota breeder, or purchased in dam.
 - b. Be in possession of the member by November 15, 1961.
3. Progeny from Junior Futurity heifers of past years may be exhibited:
 - a. Female progeny may be entered in the regular Junior Futurity classes for heifers.
 - b. Male progeny, born on or after May 1, 1960 and before May 1, 1961, may be entered in a special progeny bull class.
4. Members are restricted to an entry of one calf in the heifer class, unless additional entries are female progeny from previous Junior Futurity calves. In this event, the one calf restriction does not apply. In the bull progeny class no restriction on number of entries is applicable. After a progeny animal has been shown once in the state show, it cannot be entered again.
5. Entries in the Junior Futurity classes must be made by November 15, 1961, on entry forms which may be obtained from county extension agents or instructors of vocational agriculture.
6. Registration papers showing that ownership of entry is recorded in the member's name only are to be presented by members to the Junior Futurity managers prior to the Junior Futurity Show.
7. Members are expected to care for, feed and water, fit and show their own calves and to keep satisfactory project records.

Pictures for Blue Ribbon Winners

The North Dakota Farm Bureau, Nodak Mutual Insurance Company, The North Dakota Futurity and the North Dakota Winter Show Sales, will have a professional livestock photographer on hand to take pictures of the calves and members placing in the blue ribbon group. These pictures will be suitably framed and inscribed with the name of the winner and the record of his blue ribbon placing.

Best Stall Exhibit

A sterling belt buckle will be given to the Junior Futurity exhibitor that has the best appearing stall for each breed. To be considered will be daily cooperation, neatness, decoration, cleanliness and grooming of the calf. These awards are given by the N. Dakota Hereford Assoc., the N. D. Shorthorn Association and the North Dakota Angus Association.

Judging Procedure

The Group System of judging will be used in the Junior Futurity. The blue ribbon group will also be lined up numerically. Factors determining the groups into which each will be placed are: size for age, condition, quality, breed character, type and conformation.

Blue group calves will be those considered highly desirable for foundation stock in the establishment of purebred herds. Red group calves will be those somewhat less desirable for foundation animals, yet satisfactory for the most part. White group calves can be considered more or less wholly unsatisfactory for foundation animals. With the latter, the road to top quality breeding herds is too slow and often disappointing.

Following classification into the three groups referred to above, all blue group calves will be returned to the judging arena. The judge will then select any truly outstanding calves and these will be designated Purple group calves.

Purple group calves win the right to show in their respective age groups of the Senior Futurity without payment of entry fees. The owners of these calves are eligible to win any premium money offered in the Senior Futurity.

Junior Futurity Premiums

A total of \$500 is made available by the North Dakota Winter Show for cash premiums in the Junior Futurity. This purse is split among all exhibitors in varying amount depending upon whether blue, red or white group placings are won. In addition, each exhibitor wins a ribbon - blue for blue group placing, red for red group and white for white group. The amount of the individual cash premium hinges on the number of animals placing in each group. Thus, until the judging is complete the individual awards cannot be determined by the Futurity managers.

Union Stockyards Livestock Marketing Agencies Plaques

Beautiful plaques will be awarded to Junior Futurity members having the Grand and Reserve Champion female in each breed and the Grand Champion bull in each breed. Only purple ribbon winners will be eligible. These plaques are being awarded by the Union Stockyards Company and the commission firms at West Fargo, namely: Central Livestock Association, Dakota Livestock Commission Company, Farmers Union Marketing Association, McDonald Livestock Comm. Co., Montgomery & Sons, Sig Ellingson and Co.

Terms and Conditions

Each animal will be sold to the highest bidder without reserve. Cow with calf at foot regarded as a single unit, unless otherwise announced.

Any disputes as to bids will be settled by the auctioneer declaring all bids off and reselling the animals. Each animal, as soon as sold, will be at the purchaser's risk, but will not be delivered until settlement has been made.

Animals sold will be fed and cared for free of charge until the day after the sale, but at the purchaser's risk and will be turned over to the purchaser or loaded on cars for shipment as he may direct.

TERMS - CASH - Unless otherwise arranged prior to the sale. Parties desiring to settle by personal check should have bank letters of credit.

All cattle entered have been tested for Tuberculosis and Brucellosis. Cattle purchased by out-of-state buyers will have health certificates to meet requirements.

GUARANTEE: All animals sold in this sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Breeders' Association.

I believe Eldak Pay Dirt's offspring are the kind ranchers would deem a credit to their herd. They have good heads, plenty of bone, plus natural fleshing and weight for age. My cow herd is small in number; therefore, I have only a select group of females. I have had numerous compliments in regard to my cow herd this past year. Stop by my stall for more pertinent information.

Terms and Conditions

Terms of the sale are cash.

The auctioneer will settle any disputes as to bids by reselling the animal.

Each animal will be at purchaser's risk as soon as sold. Cattle will be cared for, for a reasonable length of time after sale to permit ample time for removal.

BREEDING GUARANTEE:

1. All animals are guaranteed to be breeders, with the exception of calves under six months of age or animals shown by the purchaser after sale. In cases of animals shown after purchase the breeding guarantees, if any, shall be such as agreed upon between the seller and the buyer.
2. Bulls are guaranteed breeders if not allowed to run with the herd until at least 18 months of age. Any bull that settles at least one-third of the healthy cows he serves shall be considered a breeder.
3. Safe in calf females have been examined by a competent veterinarian and are so guaranteed.
4. Served females are believed to be in calf but are not so guaranteed.
5. Pasture bred females have been exposed but are not guaranteed to be in calf.
6. Open females have not been served and are so guaranteed.

Health certificate must accompany any animal returned to the seller's farm showing same health standing as when sold.

A certificate of registry and transfer will be furnished with each animal sold.

All cattle will have passed a test for T.B. and Bang's within thirty days of sale. Health Certificates will be furnished day of sale.

In case typographical errors are discovered or changes in breeding dates, etc., occur, the owners will announce such changes at the time of sale. Buyers are cautioned to make note of such announcements since such corrections or announcements will take precedence over the printed matter in the catalog.

All persons who attend sale do so at their own risk, and the owners and clerks assume no liability, legal or otherwise, for any accidents which may occur. The above terms and guarantees shall constitute a contract between the buyer and the consignors of each animal sold. The owners of these cattle are in no way partners or an association and they jointly will not be responsible for any liabilities in connection with the cattle sold.

The pedigree of this bull contains a great concentration of Bandolier and Bardolier breeding. Here is a deep bodied thick bull, coming out of a top line of cows in our herd. He should put type and quality on your calves, that will bring that extra 2¢ a pound at the market.

Here is a bull that has todays type in beef cattle. He is more than a 1/2 bro. to the bull we sold to the American Breed Assn. Madison, Wisc. and of the 1959 Gr. Champ. sale bull at Valley City Winter Show in 1959. He sold to Lenhardt Stock Farm at New England and Mr Lenhardt has told me that it is the first animal he has bought he could not criticize in any way. This bull is also a 1/2 bro. or more to many of our champions. The dam is sired by Pride 4th of Devils Lake, who was a consistent producer of champions.

Terms and Conditions

Each animal will be sold to the highest bidder without reserve. Cow with calf at foot regarded as a single unit, unless otherwise announced.

Any disputes as to bids will be settled by the auctioneer declaring all bids off and reselling the animal.

Each animal as soon as sold will be at the purchaser's risk, but will not be delivered until settlement has been made.

Animals sold will be fed and cared for free of charge until the day after the sale - but at the purchaser's risk and will be turned over to the purchaser or loaded on cars for shipment as he may direct.

TERMS - CASH - Unless otherwise arranged prior to the sale.

With cattle of this age limit, it is considered that the purchaser is more responsible for their future usefulness than the breeder and that a breeder is relieved of all responsibility after a sale is completed. However, every possible precaution is taken to eliminate individuals with any known defects, and to assure that bred females are with calf. The entire offering will be sold at the halter and any further guarantee will be between buyer and seller.

The following guarantee is recommended for the buyer and seller:

1. All claims should be submitted in writing to the seller within six months.
2. In the case of bulls, the buyer shall give the bull an adequate trial and have him inspected by a veterinarian at buyer's expense.
3. Seller shall have privilege of trying bull after his return before making any adjustments.
4. Any guarantee is void if there is evidence of improper management in caring for the animal.
5. Seller will have the privilege of replacing with an animal of similar quality and breeding or refunding the purchase price of the animal.
6. The above guarantee is between the individual consignors and the buyer of each lot. The North Dakota Hereford Association assumes no liability, legal or otherwise, but will help in every way possible to make adjustments should it become necessary.

All cattle entered have been tested for Tuberculosis and Brucellosis. Cattle purchased by out-of-state buyers will have health certificates to meet requirements.

MAIL ORDERS - For those unable to attend, buying instructions may be sent to M. A. Kirkeide, Sale Manager, or other representatives.

SWINE SHOW PREMIUM MONEY

North Dakota Winter Show	\$200.00
North Dakota Swine Breeders Association	\$390.00
Total	\$590.00

SALE TERMS AND CONDITIONS

1. Each animal will be sold to the highest bidder without reserve.
2. All animals must be paid for in cash on the day of the sale.
3. Animals are at owner's risk as soon as purchased in the sale ring but will be cared for until Saturday, March 10, 1962.
4. All animals will be transferred on the books of the respective Registry Associations in the name of the purchaser and without cost to him.
5. Mail order bids may be sent to the Sale Committee, Larry Iverson, Manager, Valley City, North Dakota.
6. Buyers may obtain a copy of the health certificate at no cost to them from the clerk before the animals are removed from the sale barn.
7. Breeding dates given in catalog for gilts, or as announced from the block are as accurate as the owners can provide. Claims referring to animals proving not to have been bred must be filed with the seller within one week following stated farrowing date. Gilts showing with pig in the ring are sold without recourse.
8. The North Dakota Swine Breeders Association and the Winter Show act as agents for buyer and seller only and accept no responsibility for the animals.
9. All hogs must be treated for cholera and considered immune before they arrive at the Winter Show. The treatment used is in catalogue or will be announced.
10. All gilts sold meet all North Dakota Livestock sanitation rules.
11. Any gilt which farrows during the show will forfeit all Premium money and will be disqualified from the sale.

GATE ORDERS

Gate orders will be issued for all animals purchased.

MR. BLACKBURN 12TH P#-

SORREL STUD COLT

Foaled: April 17, 1961. Consigned by Blackburn Ranch, Bismarck, North Dakota.

POCO BIRTHDAY P-47, 416	Poco Bueno P-3044 Etta's Birthday P-14, 537	King P-234 Miss Taylor P-2636 Joe Traveler P-1784 Birthday P-1369 (by King P-234)
HELEN BIXLER P-54, 042	Blackburn P-2228 Mare by Yellow Wolf	Yellow Jacket Siss by Peter McCue Yellow Wolf

We have donated this colt to the North Dakota Quarter Horse Association to be sold at this sale, and the proceeds will go toward the Winter Show Building Fund, therefore, we have decided to give one of our best colts. The sire of this colt, Poco Birthday, was one of Poco Bueno's best sons. He was owned & shown by Jerry Boomhower of Bunker Hill, Kansas, until his death last year. This is one of his last colts. Helen Bixler is an own daughter of Blackburn. Blackburn is still the nation's number one broodmare sire. Blackburn mares have produced more A. Q. H. A. Champions than mares by any other one sire. Helen Bixler's last year's colt went to Vincent Platt of Waterloo, Iowa. If you need a stud or a show colt, don't overlook this one.

You've helped us . . .
we hope we've
helped YOU!

On this 25th Annual North Dakota Winter Show in Valley City, accept our thanks and congratulations.

You have helped MELROE become a recognized name in the farm implement business. Because of your efforts and the demand you have helped create for MELROE equipment, we have maintained a steady, solid growth.

We will continue to manufacture only top-quality equipment for farm customers. The MELROE Harroweeder and the MELROE Windrow Pickup are constantly being studied and tested for possible improvement. Your advice and suggestions are welcomed. This way we can adequately serve you and continue to bring you first-line farm equipment.
